Fayette - Franklin - Dearborn									
	11	1100EST			0	0			Flood
	13	1730EST							
The West Fork of the Whitewater River came out of its banks at both Alpine and downstream from Brookville. At Alpine, the river reached a crest of 15.2 feet on the 11th at 500 PM EST. Low-lying areas and some county roads near Alpine and Nulltown were flooded. Flood stage is 12.0 feet. At Brookville, the river reached a crest of 16.1 feet around 1100 PM EST on the 12th. Some recreational areas were flooded near Cedar Grove and New Trenton and some low land flooding occurred near West Harrison. Official flood stage is 20.0 feet at Brookville, but areas downstream of Brookville experience flooding above 14.0 feet.									
Union County									
Countywide	11	1100EST 1545EST			0	0	5K		Flood
Heavy rainfall caused several roads to be closed.									
Fayette County									
Countywide	11	1115EST 1545EST			0	0	5K		Flood
Roads closed due to heavy rainfall.									
Ripley County									
Batesville	11	2130EST 2135EST			0	0	3K		Thunderstorm Wind (G50)
Numerous large limbs downed.

	15 18	0900EST 0300EST			0	0			Flood
		Heavy rainfall over several days caused the Great Miami River at Miamitown to overflow its banks twice. The river first crested at an estimated 18.0 feet around 200 PM EST on the 15th. The river then fell below the flood stage of 16.0 feet around 400 PM EST that day. More heavy rainfall caused the river to rise back out its banks at 300 PM EST on the 16th. This time the river reached an estimated 20.0 feet causing flooding in Miami and Whitewater townships.
